Dear Community College Chancellors and Presidents:

On behalf of the African American California Community College Trustees Caucus of the Community College League of California (AACCT), thank you in advance for establishing your membership for the 2017-2018 academic year. The support of your community college is essential to achieving equity and increasing the recruitment and retention of African American students, faculty and administrators. The AACCT has worked to promote equity and inclusion within the California community by coordinating and collaborating with the Community College League of California to promote and plan diversity trainings and racial dialogue trainings, provide legislative advocacy and collaborate with the Asian Pacific Islander, Hispanic and Veterans Caucuses on areas of commonality in support of our students. Your support is a major component of this professional organizations' ongoing success and vitality.

**Annual dues of the AACCT are only \$100.00 per community college district.** The work AACCT undertakes on behalf of students, faculty, administrators and trustees continues to add value and **voice** to community colleges across California. There are many ways you can get involved in this organization to promote professional development among your trustees and positively impact recruitment and retention of African American students, faculty and administrators within your community college(s). You can join us at membership meetings and receptions with all of the affiliate caucuses, which are conveniently held during CCLC annual conventions, and share your ideas, news and events through the AACCT electronic updates.

**Associate memberships** are available to any educator, college administrator, or other individual that is interested in and supportive of AACCT's mission. Associate members do not have voting privileges. - \$20

**Voting memberships** are open to elected or appointed members of any California Community College Board of Trustees and Community College Chancellor or Community College President. Individual members are entitled to vote at AACCT Caucus meetings. - \$25

**Corporate/Business and Community Partner memberships** are open to any corporation or business organization interested in and supportive of the statement of purpose of AACCT. Corporate/business and community partner members will be acknowledged at all AACCT events and on our website. - \$250

All members will receive periodic updates and exclusive invitations to AACCT-related events. **Don't delay and join today!** Memberships initiated today through June 30, 2017 expire on June 30, 2018.
