Voting Locations

*Voting Location Requirements:

*Some of the below requirements may vary by county. Local **County Election** officials will review your potential location to assess if your site meets their needs.

- Sufficient space to accommodate voting machines, voting booths, table(s) and chairs.
- A minimum of 2,400 square feet.
- Restroom availability for poll workers.
- Meets American Disability Act (ADA) accessibility standards.
- Adequate lighting both inside and outside.
- Multiple electrical outlets.
- Secured area to store equipment.
- Access prior to Election Day(s) for a site visit and daily set up.
- Sufficient parking, including accessible parking.
- Proximity to public transportation.
- Community access.

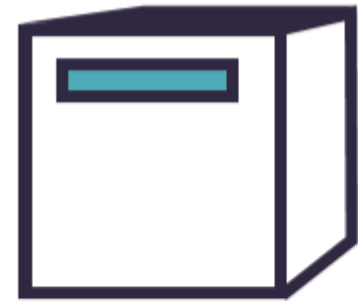

Voting Location

Ballot Drop Off Locations

▶ **Vote-by-Mail Ballot Drop Box Location:**

Vote-by-mail ballot drop box locations provide voters an easy and secure way to return vote-by-mail ballots. Drop box locations must be available October 3, 2020 through November 3, 2020 and must be secure, open to the public, accessible to voters with disabilities, and located as near as possible to public transportation routes.

To learn more about hosting a Voting Location or a vote-by-mail ballot drop box location please visit the California Secretary of State's Democracy at Work web page DemocracyAtWork.sos.ca.gov or email us directly at democracyatwork@sos.ca.gov.
