Composition: The CEOCCC Board shall be composed of at least 11 elected positions from Board designated areas and at least four appointed at-large positions to help assure broad representation and balance on the Board. The Board shall act, when necessary, to assure that a Los Angeles Community College District chief executive officer serves on the board. Only one chief executive officer may serve on the Board from a member district. Only one chief executive officer may serve on the Board from a member district. If a district has four or more colleges, two chief executive officers may serve on the Board from that district.

^{*} Board member unable to seek re-election due to the two term limit
